Child and Adult Care Food Program (CACFP)

PROVIDING MASSACHUSETTS' NUTRITIOUS MEALS AND SNACKS

What is CACFP?

The CACFP is the Child and Adult Care Food Program, a federal program that provides healthy meals and snacks to children and adults receiving day care.

Through the CACFP, participants' nutritional needs are supported on a daily basis. The program plays a vital role in improving the quality of day care and making it more affordable for many low-income families. In addition to day care, the CACFP helps make afterschool programs more appealing to at-risk youth.

Homeless children and children from temporarily displaced families can also receive up to three meals each day through shelters that operate the program.
