Child Enrollment Form Child & Adult Care Food Program

Dear Parent/Guardian:

Your Family Day Care Provider: _____ participates in the United States Department of Agriculture (USDA) Child and Adult Care Program (CACFP) administered by the Massachusetts Department of Elementary and Secondary Education.

Meals served must meet nutrition requirements established by USDA's Child & Adult Care Food Program. In order to participate, your provider has agreed to follow the USDA guidelines. The Provider will give you a copy of the minimum meal components and portion requirements to be served according to the child's age. A medical statement from your doctor is necessary if your child cannot eat foods required by the CACFP.

In an effort to assess that these requirements are being met, the USDA and CACFP requires providers to annually collect the enrollment information listed below.

Please complete the form and return it to your Family Day Care Provider. Part 1 and Part 3 need to be completed by all families or guardians. Part 2 is to be completed ONLY if enrolling an infant child (under the age of 12 months).
